- Two high schools within 2 block radius.
- Climate controlled enclosed Shopping Centre.
- On-site Property Management and Security teams.

The Community Hub

Strathallen developed the Community Hub program to create memorable experiences and support our local communities. The Spot is one of the three pillars that make up the Hub and is a community-inspired room available to organizations interested in hosting activities, workshops, group classes and more. Market Mall welcomes groups from Saskatoon and surrounding communities to utilize the space, as well as space throughout our common areas, driving further traffic to the Centre.
